KEYNOTE SPEECH

DECIDE: WORK SMARTER, REDUCE YOUR STRESS, AND LEAD BY EXAMPLE

What shapes a leader's outcomes, career and life?

Their decisions. The criteria we all use for making decisions drives our performance and our effectiveness as leaders. Great decision-making habits yield a lifetime of achievements and success. Poor habits keep us stressed, frustrated, and forever out of balance. This keynote is for every leader and aspiring leader to help them:

- **Focus on results and the true drivers of performance**
- **Regain critical planning and personal time**
- **Dramatically increase work/life engagement**
